

### **LASAGNA HEATING INSTRUCTIONS:**

- Tip: for a better, faster reheat please pull lasagna from refrigerator and let sit for 20 minutes before heating.
- Microwave in take-out container, with lid closed, on high 6 - 8 minutes depending on microwave wattage.
- Let sit for 2 minutes. Take Caution when opening lid.
- Food should have an internal temperature of 165 degrees.

### **BEEF STROGANOFF HEATING INSTRUCTIONS:**

- Microwave in take-out container, with lid closed, on high 3 minutes.
- Carefully open lid and stir. Cook on high for 2-3 more minutes depending on microwave wattage.
- Let sit for 2 minutes. Take Caution when opening lid.
- Food should have an internal temperature of 165 degrees.

### **HAM DINNER HEATING INSTRUCTIONS:**

- Remove pineapple before re-heating ham.
- Microwave ham in take-out container, with lid closed, on high 5-7 minutes, until hot. Let stand for 2 minutes. Top with pineapple & honey.
- Microwave mashed potatoes & green beans in take-out container, with lid closed 2-3 minutes. Stir potatoes, re-cover. Cook 1-2 minutes more, until heated through.
- Take Caution when opening lids.

### **STUFFED FLOUNDER HEATING INSTRUCTIONS:**

- Microwave in take-out container, with lid closed, on high 5-7 minutes. Let stand for 2 minutes.
- Food should have an internal temperature of 165 degrees.
- Microwave green beans & rice in take-out container, with lid closed 3-5 minutes.
- Microwave sauce in container, with lid on 30 seconds. Remove lid, stir, replace lid and cook another 30 seconds - 1 minute.
- Take Caution when opening lids.
